Early morning arrival to Santiago, where you will be met at the airport by our knowledgeable bilingual staff, who will help you to load the van for the 2-hour drive to Farellones.

Farellones is located at 7,200 ft, in open alpine terrain overlooking Santiago. It is surrounded by several 13,000 ft to 16,000 ft peaks. It is these peaks, which give Farellones its unique skiing conditions. Thanks to these natural conditions, Farellones has become the most traditional ski village in Chile. Farellones is surrounded by 3 ski resorts, making up the largest ski area development in South America. Walking distance from your lodge, you will find the ski lift heading to El Colorado.
