

Ultimate Ski Congress

Groups and Coach Selection

Approximately 3 weeks prior to the Congress, Warren will email you asking for your Certification level and skiing ability. This will be used to group you with skiers of a similar ability. You will stay with this group all 4 days and have a different coach each day. The idea is to experience as many different coaching styles and technical approaches as possible.

Coach selection: Warren will also ask you to choose your top 2 coaches from two lists of coaches. You will be guaranteed 1 coach of your choice over the 4 days. The intention is to have 2 coaches of your choice over the 4 days.

- ★ In fairness to all participants, you will **NOT be able to switch groups** throughout the Congress. All coaches are incredible and will provide you with the experience of a lifetime!
